

Request to Make Donation to HYC Foundation Through My HYC Monthly Statement for Calendar Year 2024

I, _____, request that the Hampton Yacht Club (the "Club") include on my monthly Club Statement a billing for a monthly Donation to the Hampton Yacht Club Foundation (the "Foundation") in the amount checked below and understand that this amount will be charged to me on my monthly Club Statement starting with the first Monthly Statement issued after the Club's receipt of this Request, assuming it is received by the 15th of the month:

_____ \$10 _____ \$25 _____ \$50

For Foundation Use: I also request that the Foundation use my Donation in accordance with the box checked below:

- An unrestricted Donation to be used by the Foundation as it believes is needed for Junior Sailing, Scholarships or other Mission purposes
- A Donation *restricted** to Bumps Scholarships
- A donation *restricted** to supporting the Club's Junior Sailing program as determined by the Foundation's Board

Since the Club prebills their members in advance of the month due, I further understand that this Request is effective for Club monthly billings issued through November 30 of the year stated above and that I must submit a new Request Form for each subsequent calendar year for which I desire to make contributions to the Foundation through my monthly Club billing.
